TREATY RELATING TO THE STATE OF SHERWOODWHEREAS:

- A. In recent times questions have arisen relating to the status of the Prince of Ponderosa, the Prince of Barrecount and the Prince of Tyrone as Princes of the Realm of Great Britain, as follows:
- (a) Virgilio Joseph Rigoli has taken himself under the protection of the de jure Government of the Commonwealth of Australia, in contravention of the Statute of Elizabeth I, 1558,
 - (b) Little Joseph Rigoli has contravened the Laws of God, namely, Deuteronomy 17: 15-20,
 - (c) Brian Charles Fyffe has contravened the Laws of God, namely, the Koran, 9: 12, 14.
- B. In recent times questions have arisen relating to the status of the State of Sherwood, as follows:
- (a) The State of Sherwood has not been administered as an ecclesiastical sovereignty, providing legal inviolability to a Religious Community, but as a temporal sovereignty, without imposing any religious qualification upon citizenship: Exodus, 12: 43, 48,
 - (b) False statements have been made on behalf of the State of Sherwood that the Principality of Caledonia has annexed the whole of the National Estate of Australia, and the National Estates of England and the United States of America, which statements impute contraventions of International Law: Exodus, 23: 1.
- c. The Parties hereto are desirous of resolving these questions and providing for additional matters.
